East
Hampshire
DISTRICT COUNCIL

Information about this Community Directory

The directory has been produced by the charity Community First in partnership with East Hampshire District Council and Whitehill Town Council.

It aims to provide a list of some of the organisations serving the community in Whitehill & Bordon.

The community is continually changing with new groups developing and others closing. If you find something in the directory which you believe is out of date or missing, please contact Community First at support@cfirst.org.uk

An online copy of the directory can be found on the following websites:
